**Re: United States v. Kareem Graves  
18 Cr. 146 (ALC)**

Honorable Judge Carter:

I write with the consent of the Government to respectfully request that the Court extend the deadline for securing one cosigner to Mr. Castillo's bond until Friday, February 23, 2024.

On February 9, 2023, Mr. Graves was released on his own signature and imposed bail conditions, including: a \$50,000 personal recognizance bond, cosigned by one financially responsible person; home detention; surrender of all travel documents and no new applications; pretrial supervision as directed by Pretrial Services. Mr. Graves' bail conditions were to be met by Friday, February 15, 2024.

Since his release, Mr. Castillo has been compliant with his bail conditions and has reported to Pretrial as directed. We respectfully ask for one additional week to schedule cosigner interviews with the Government and secure one cosigner to the bond. The Government consents to this request.

Thank you for your consideration of this matter.

Respectfully submitted,

Mark B. Gombiner  
Assistant Federal Defender
